# Atul Sharma

Email: atul.sharma@example.com | Phone: +91-9876543211 | LinkedIn: linkedin.com/in/atulsharma

Address: 456, DEF Street, Bengaluru, India

## Objective

To utilize my expertise in data science, machine learning, and analytics to deliver actionable insights and drive data-driven decision-making in a dynamic organization.

## Skills

- Python

- Machine Learning

- Deep Learning

- Data Analysis

- SQL

- Tableau

- Natural Language Processing

- Statistics

## Work Experience

Data Scientist - Tech Solutions Pvt. Ltd.

March 2020 - Present

- Designed and deployed predictive models that increased sales efficiency by 25%.

- Led a team of data analysts in building dashboards to monitor business KPIs.

- Implemented natural language processing models for customer sentiment analysis.

Data Analyst - Innovate Analytics

July 2017 - February 2020

- Analyzed large datasets to identify key trends and insights for business strategies.

- Automated data pipelines, reducing manual processing time by 30%.

- Collaborated with stakeholders to deliver data-driven recommendations.

## Education

Master of Science in Data Science - IIT Madras (2017)

Bachelor of Technology in Computer Science - NIT Trichy (2015)

## Projects

- Fraud Detection System: Built a machine learning model to detect fraudulent transactions with 98% accuracy.

- Customer Segmentation: Used clustering algorithms to segment customers for targeted marketing campaigns.

- Real-time Stock Price Prediction: Developed a deep learning model to forecast stock prices using LSTMs.
